

Gaza Ceasefire Now
November 12, 2023 @ 1 pm walk from Lois Hagan Park

Dear Brothers and Sisters,

As you are aware the situation in Palestine is dire, children are dying, losing parents and siblings from no fault of their own.

The Boundary Peace Initiative joins with peace and social justice groups across Canada and globally to urge Canada and the UN to call for a Ceasefire and ensure the increase in humanitarian aid for Gaza: but the West Bank is also under increased attack. And then just look around and ask yourself, where is there on our planet that war/conflict is not happening or not affecting the peoples of the world.

So, join the Boundary Peace Initiative as we walk in remembrance and to honour the children suffering and dying. We will walk to the beat of the drum, the heartbeat of Mother Earth, in a silent plea for a solution that will bring peace to the troubled land of Palestine and all the other regions where innocent blood is being spilled. Bring signs, drums but most importantly your hearts.

The Boundary Peace Initiative, as a participant in a cross-Canada call to action, asks you to meet us at Lois Hagan Park, beside Grand Forks City Hall at 1 pm on Sunday, November 12, 2023 and walk to Gyro Park (across from Save-on-Foods). For those who are unable to walk and still wish to be part of this action for peaceful resolutions can meet the walkers at Gyro Park for a vigil.

In Universal Kinship and Loving Peace,
On behalf of the Boundary Peace Initiative,
Laura Savinkoff
